**Finally Home** is a demonstration project of Values into Action funded by the Pennsylvania Developmental Disabilities Council (PADDCC) to assist individuals with disabilities from rural communities in meeting their goals to access and maintain control of their own homes. Diana T. Myers and Associates, Inc. (DMA) and Values Into Action created the **Finally Home Housing Toolkit** as a user-friendly resource providing housing information and tools for advocates, Housing Service Providers, Supports Coordinators, Supports Brokers, family members and other interested parties to support people with disabilities in securing the housing of their choice.

The Pennsylvania Developmental Disabilities Council is supported by the Administration for Community Living (ACL), U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$3,095,416.00 with 100 percent funding by ACL/HHS. Council efforts are those of the grantee and do not necessarily represent the official views of, nor an endorsement, by ACL/HHS, or the U.S. Government.
